

DISCUSSION CARDS

These cards have been created to use as a tool for discussion with older children, young people and intergenerational groups. They cover a wide range of life and faith related issues.

HOW TO USE

- Print out the sets you wish to use on card. They can be laminated if needed, but you may prefer to use until they wear out and reprint!
- Cut the cards and form a deck.
- You can use one set of cards at a time, or mix several together for a wider discussion.
- There are two sets of cards which are designed to be used differently. The set titled 'prayer' are to be used when you are praying together as prompts for prayer. The set titled 'Bible' are to be used when looking at a Bible passage together. The sets titled prayer (about) and Bible (about) can be used to talk about prayer and the Bible in more of a discussion forum.
- Please let us know how you get on; what other sets would you like to see?
